

Dr. Norbert Gleicher founded the Center for Human Reproduction (CHR) in 1981, after completing his residency at the Mount Sinai School of Medicine in New York and holding top academic and administrative positions in various academic institutions in New York and Chicago. Always keen on simultaneously pursuing clinical care and research, Dr. Gleicher has published hundreds of peer-reviewed medical journal articles, abstracts and book chapters, in addition to editing textbooks that are now regarded as classics. Dr. Gleicher also holds adjunct professorship appointments at Rockefeller University in New York City, as well as Medical University Vienna.
